

In the Drawings:

Figures 2a, 3b, 4b, and 6 were objected to for containing improper cross hatching and Figures 6 and 7 were objected to for being informal. Attached hereto are five (5) sheets of formal drawings for Figures 1-7 which formalize Figures 6 and 7 and corrects the cross hatching in Figures 2a, 3b, 4b, and 6. No new matter has been added.
